How Old Are You By Your Hair?

You may be thirty in years, but if you are bald-headed gray, or your hair is dry, brittle, scraggly and ugly-looking, people will surely take you to be many years older.

When your hair becomes faded, dry, streaked and scraggly, when it falls out badly and new hair cannot grow, the roots should be immediately vitolized and properly nourished. To the roots should be immediately vitolized and properly nourished. To
do this quickly, safely and at little
expense, there is nothing so effective
as Parisian sage (liquid form) which
you can get at Lee & Osgood Co. and
all good drug and toilet counters.
